We are very proud to announce that we have been named a Xerox Platinum Authorised Concessionaire.

Advanced Business Equipment

Advanced is exclusively an elite Xerox, mono-brand specialist dedicated to selling Xerox products, services and providing a full range of printing peripherals from small office devices to large, production printers and we've done it for over 25 years!

We are experts in document solutions and equipped to provide the full range of Xerox technology, Audit and Assessment tools, Document Management, Document/Process Automation, Print Management, Financial and Managed Print Services. Backed by Xerox, we deliver professional pre-sales and post-sales services and unique, innovative pro-active technical support.

About Xerox

Xerography was invented more than 75 years ago, and enabled Xerox to engineer a better way for the world to share information. Since then Xerox continued engineering how the world works by applying expertise in imaging, business process, analytics, automation

and human centric design to make a real difference for our customers and their customers. That means Xerox have changed the way the world shops, learns, parks, does banking, receives healthcare and, of course – works by helping businesses and governments of all sizes solve their biggest and newest challenges, Xerox is making the world work a little better, every day.

Platinum Standard

Our accreditation level reflects our commitment, highest level of expertise and outstanding customer's experience.

Donna Marley – Director and GM – Xerox UK & Ireland Channel Organisation said: "Advanced have been a trusted Xerox Channel Partner for almost a quarter of a century. As a Xerox Platinum partner Advanced serve a large customer base across the UK and Europe. Customers vary from small organisations to large international corporates. Advanced are accredited to sell the entire range of Xerox products and services and are an experienced provider of Xerox Managed Print Services. In line with industry trends Advanced are experts at bespoke

software solutions for print and document management processes."

We are proud that our expertise, passion and commitment has been recognised and noticed by Xerox.
